## SUMMARY

Military veteran with a BA in Graphic Design and Media Arts (Web Design concentration). Skilled in Adobe Creative Suite (Illustrator, Photoshop, XD, InDesign), HTML5, CSS, SCSS, JavaScript, color theory, and typography. Experienced in web and print design, project management, client communication, team collaboration, customer service, and remote work. Detail-oriented, adaptable, and able to meet deadlines under pressure. Seeking an entry-level Graphic or Web Design role that leverages both my recent education and extensive professional background.
